Ethan Brooks

Marketing Operations Specialist

Boston, Massachusetts | ethan.brooks@example.com | linkedin.com/in/ethan-brooks-ops

PROFILE

Marketing operations specialist with five years of experience improving CRM quality, campaign processes, and reporting for B2B software teams. Detail-oriented and analytically strong, with less experience setting strategy or directly owning acquisition channels.

EXPERIENCE

Marketing Operations Specialist

HarborStack, Boston | October 2022 - Present

- Administer HubSpot and Salesforce processes for a 60-person marketing and sales organization, including lifecycle stages, routing, and campaign governance.
- Built a source-of-truth funnel dashboard that reduced weekly reporting preparation from two days to three hours.
- Audited 45,000 contact records and introduced validation rules that improved usable job-title data by 18 percentage points.
- Partner with demand-generation managers to QA forms, UTM structures, lead scoring, and campaign attribution.

Marketing Analyst

CobaltHR, Boston | January 2020 - September 2022

- Delivered monthly analysis of funnel conversion, program cost, and sales acceptance for a human-resources software portfolio.
- Created a campaign taxonomy and trained marketers on consistent naming and reporting practices.
- Supported a lead-scoring redesign that increased sales acceptance from 42% to 55% for the priority segment.

Business Analyst

North Harbor Consulting, Boston | July 2018 - December 2019

- Built spreadsheet models and client dashboards for service operations and customer-retention teams.
- Documented requirements and facilitated weekly project reviews.

EDUCATION

BS, Management Information Systems - Northeastern University, 2018

SKILLS

HubSpot administration, Salesforce reporting, attribution, lead scoring, data quality, SQL, Looker Studio, process design, QA, documentation

CERTIFICATIONS

HubSpot Operations Hub Certification; Salesforce Associate
