Marcus Lee

Agency Account Director

San Francisco, California | marcus.lee@example.com | linkedin.com/in/marcus-lee-account

PROFILE

Agency account director with ten years of experience leading integrated B2B campaigns for software and professional-services clients. Brings strong client leadership and broad channel exposure, but has not owned an in-house funnel or a single company’s CRM system.

EXPERIENCE

Account Director

Northline Collective, San Francisco | January 2020 - Present

- Lead a portfolio of seven B2B technology accounts with combined annual media and production budgets of approximately $3.5M.
- Guide integrated campaigns across paid search, paid social, content, webinars, and account-based programs from brief through retrospective.
- Manage a team of six strategists and specialists and present quarterly business reviews to client executives.
- Helped one client improve cost per qualified opportunity by 26% through audience refinement and landing-page testing; client-owned CRM data was used for reporting.

Senior Account Manager

Fathom B2B, San Francisco | June 2016 - December 2019

- Managed campaign delivery, budgets, and stakeholder reviews for cybersecurity, cloud, and HR technology clients.
- Translated performance reports into next-quarter testing plans and coordinated creative, media, and marketing-automation workstreams.
- Supported new-business proposals that contributed to $1.8M in signed annual retainers.

Account Executive

Brightline Creative, Oakland | July 2014 - May 2016

- Coordinated digital campaigns, content projects, and client communications for regional businesses.
- Maintained schedules, budgets, and status reporting across concurrent accounts.

EDUCATION

BA, Integrated Marketing Communications - San Francisco State University, 2014

SKILLS

Integrated campaigns, paid media, ABM, client leadership, budget management, landing-page testing, team management, strategic briefs, performance reviews
