Maya Chen

Growth Marketing Manager

Toronto, Ontario | maya.chen@example.com | linkedin.com/in/maya-chen-growth

PROFILE

Growth marketer with seven years of experience building measurable acquisition and lifecycle programs for B2B SaaS companies. Combines hands-on channel work with disciplined experimentation, revenue reporting, and close partnership with Sales and Product.

EXPERIENCE

Growth Marketing Manager

Aurora Ledger, Toronto | January 2023 - Present

- Own a quarterly paid and lifecycle budget of $420,000 across search, LinkedIn, retargeting, webinars, and nurture programs for finance leaders.
- Built a lead-to-opportunity measurement model with Revenue Operations that increased reported marketing-sourced pipeline by 28% while removing duplicate credit.
- Ran landing-page and onboarding experiments that lifted trial-to-qualified-opportunity conversion from 11% to 16% over two quarters.
- Partner with eight account executives on account priorities, lead-quality reviews, and campaign follow-up plays.

Demand Generation Specialist

Clearpath Software, Toronto | June 2020 - December 2022

- Managed paid search and LinkedIn programs that generated 1,100 marketing-qualified leads and $6.4M in influenced pipeline in 2022.
- Created a five-stage nurture framework in HubSpot for prospects by industry and buying stage, improving email-to-demo conversion by 19%.
- Produced monthly performance readouts covering CAC, conversion rates, pipeline velocity, and channel quality for the leadership team.

Marketing Coordinator

CivicCloud, Toronto | August 2018 - May 2020

- Coordinated webinars, partner campaigns, and content distribution for a public-sector software portfolio.
- Maintained campaign tracking conventions and consolidated weekly lead reports for Sales and Marketing.

EDUCATION

BComm, Marketing and Analytics - Toronto Metropolitan University, 2018
