PROFILE

Performance marketer with six years of experience managing multi-channel acquisition for e-commerce and subscription businesses. Brings strong budget discipline, creative testing, and analytics, with limited exposure to B2B sales cycles.

EXPERIENCE

Paid Media Manager

Morrow Market, Austin | April 2022 - Present

- Manage $4.2M in annual spend across Google, Meta, TikTok, and affiliate partners for a subscription home-goods brand.
- Reduced blended customer acquisition cost by 31% while increasing new-customer revenue by 42% through audience, creative, and landing-page testing.
- Built a weekly performance model combining ad-platform, Shopify, and cohort data to separate first-order efficiency from repeat-purchase value.
- Lead a small external creative pod and write testing briefs for more than 30 ad concepts per quarter.

Performance Marketing Specialist

BrightCart, Austin | September 2019 - March 2022

- Launched paid search and paid social campaigns in the United States and Canada, scaling monthly spend from $80,000 to $190,000.
- Implemented campaign naming and dashboard standards that made channel and creative performance comparable across markets.
- Worked with merchandising and email teams on seasonal offers and remarketing audiences.

Marketing Analyst

Juniper Travel Co., Austin | July 2018 - August 2019

- Maintained acquisition reports and assisted with weekly budget pacing for paid search and metasearch.
- Presented an analysis of booking windows that informed promotional calendar changes.
