Daniel Okafor

Senior Brand Strategist

New York, New York | daniel.okafor@example.com | linkedin.com/in/daniel-okafor-strategy

PROFILE

Brand strategist with eight years of agency and consulting experience across consumer technology, food, and mobility. Strong in research, positioning, and storytelling frameworks; recent work has been advisory, so operational ownership of campaigns varies by client.

EXPERIENCE

Senior Brand Strategist

Common Thread Strategy, New York | May 2021 - Present

- Lead qualitative research, category analysis, positioning, and messaging work for consumer brands entering new markets.
- Developed a brand platform for a kitchen-appliance client that unified product, retail, and service messaging across four audiences.
- Facilitate workshops with executives, creative teams, and product leaders and translate findings into clear strategic briefs.
- Advise client marketing teams on measurement plans but do not own media buying or channel execution.

Brand Strategist

Fieldwork Partners, Brooklyn | September 2018 - April 2021

- Planned interviews, focus groups, and social listening studies for food, transportation, and consumer-finance clients.
- Created audience segments, competitive maps, naming territories, and campaign briefs used by creative directors.
- Presented recommendations to client leadership and supported new-business pitches.

Account Planner

Mosaic Creative, New York | July 2016 - August 2018

- Supported research synthesis and planning for integrated advertising campaigns.
- Maintained cultural trend reports and customer insight libraries.

EDUCATION

MA, Consumer Psychology - New York University, 2016; BA, Sociology - University of Michigan, 2014

SKILLS

Positioning, qualitative research, audience segmentation, messaging, workshop facilitation, cultural strategy, creative briefs, competitive analysis
