Mei Lin

Integrated Campaigns Manager

San Francisco, California | mei.lin@example.com | linkedin.com/in/mei-lin-campaigns

PROFILE

Integrated marketing manager with six years of experience delivering launch and seasonal campaigns for technology and consumer subscription products. Skilled at turning strategy into coordinated channel plans, creative briefs, and post-launch learning.

EXPERIENCE

Integrated Campaigns Manager

Daymark Audio, San Francisco | January 2023 - Present

- Own campaign planning for a subscription audio brand across product launches, partnerships, email, social, paid media, and retail moments.
- Built a campaign brief and review process that reduced average launch preparation time by 20% and clarified decision ownership.
- Led the launch of a family plan that exceeded its first-quarter sign-up target by 18% and improved trial-to-paid conversion by 9%.
- Coordinate Creative, Product Marketing, E-commerce, and external production partners against shared milestones.

Campaign Marketing Specialist

CloudCanvas, San Francisco | July 2020 - December 2022

- Delivered integrated campaigns for a collaboration software portfolio, including webinars, customer stories, paid social, and sales materials.
- Partnered with Product Marketing on audience messaging and with analytics on campaign dashboards.
- Managed creative timelines and a vendor budget of $280,000 per year.

Marketing Coordinator

Harborlight Media, San Francisco | September 2018 - June 2020

- Coordinated social calendars, email production, and partner deliverables for a digital media publisher.
- Maintained campaign status reports and organized creative reviews.

EDUCATION

BS, Marketing - California State University, East Bay, 2018
