Samira Haddad

Consumer Insights Manager

Toronto, Ontario | samira.haddad@example.com | linkedin.com/in/samira-haddad-insights

PROFILE

Consumer insights manager with six years of experience using interviews, surveys, social listening, and behavioral data to guide brand and product decisions. Analytical and persuasive, with less direct ownership of creative production and channel execution.

EXPERIENCE

Consumer Insights Manager

Everfield Foods, Toronto | June 2022 - Present

- Lead consumer research for a portfolio of packaged foods, including concept tests, usage studies, brand tracking, and customer segmentation.
- Created an occasion-based segmentation adopted by Brand, Innovation, and Sales for annual planning and campaign briefs.
- Built a quarterly insights review that connects awareness, consideration, trial, repeat purchase, and qualitative customer language.
- Present recommendations to senior leaders and facilitate working sessions with creative and product teams.

Research Analyst

Northlake Consumer Research, Toronto | August 2019 - May 2022

- Designed and analyzed surveys, online communities, and interview programs for retail, hospitality, and consumer-technology clients.
- Synthesized competitor and social-listening findings into audience narratives and messaging implications.
- Supported account teams in presenting research findings and recommended actions to client marketing departments.

EDUCATION

MSc, Marketing Analytics - University of Guelph, 2019; BA, Psychology - McGill University, 2017
