Theo Anderson

Visual Communications Designer

Brooklyn, New York | theo.anderson@example.com | linkedin.com/in/theo-anderson-design

PROFILE

Visual communications designer with five years of experience creating identity systems, campaign toolkits, and digital content for cultural and consumer organizations. Strong creative craft and collaboration, with limited evidence of owning brand strategy, research, or commercial measurement.

EXPERIENCE

Senior Visual Communications Designer

Openfield Arts, Brooklyn | January 2023 - Present

- Design visual systems and campaign toolkits for exhibitions, membership programs, and public events reaching more than 400,000 annual visitors.
- Partner with the marketing director and copy team on campaign concepts, visual direction, and channel adaptations.
- Created a modular identity toolkit that reduced production time for local partners by approximately 30%.
- Present design rationale and revisions to internal stakeholders, sponsors, and external collaborators.

Graphic Designer

Pine Street Studio, Brooklyn | September 2020 - December 2022

- Produced identity, social, web, and print assets for restaurant, retail, and nonprofit clients.
- Maintained brand guidelines and prepared files for print and digital production.
- Supported creative pitches and client presentations.

EDUCATION

BFA, Communication Design - Parsons School of Design, 2020
